Qualification Description

The IIE Bachelor of Commerce (BM0701) Degree provides graduates with a broad-based business qualification that is invaluable in forging a career within the world of business. This Degree offers students a quality learning experience in the contemporary, dynamic and interesting field of Business with the opportunity to choose a core discipline in Marketing Management, Financial Management, Strategic Management and Finance and Accounting. This programme is designed to prepare students for the increasingly complex demands that they will face in the professional business environment. Graduates will enter the business world with solid theoretical knowledge; supported by strong problem solving, critical thinking, decision-making and strategic skills. This Degree gives students a highly marketable balance of knowledge, practical application and skills.

Who Is This Qualification Aimed At?

The IIE Bachelor of Commerce Degree is ideal for students who are interested in the world of business, finance, economics, and management.

This Degree is aimed at individuals who:

- Enjoy working with numbers, solving problems, and making strategic decisions
- Are curious about how businesses operate locally and globally
- Have an interest in financial systems, marketing, or entrepreneurship
- Want a strong foundation in business principles with the flexibility to specialise
- Aspire to become future business leaders, financial analysts, entrepreneurs, or policy-makers
- Are looking for a Degree that offers a wide range of career opportunities in both the private and public sectors

Whether you're aiming to work in corporate business, launch your own startup, or pursue further studies like an MBA or postgraduate specialisation, the IIE Bachelor of Commerce Degree equips you with the knowledge and skills to succeed in today's dynamic economy.
